INTRODUCING JULIE

I would like to introduce myself as your newly appointed librarian for Brent Community Libraries. I am here on a part-time one year secondment to support the libraries in their role and advise on policies and procedures - and lots of other tasks as well! I'm really enjoying my role so far and have been busy setting up Under 5s sessions, helping with utilising the space in the libraries and training volunteers, as well as recruiting more. I hope to meet you all soon and in the meantime keep up the fantastic work you have all put in to supporting your local community library!
